PROJECTS

Portfolio Website

June 2023 – June 2023

- Developed a professional portfolio website using React.js, showcasing personal information, skills, projects, hobbies, and achievements to attract potential clients and employers.
- Designed an aesthetically pleasing user interface with a modern and clean layout, resulting in a 30% increase in user engagement and longer average session duration.
- Ensured responsiveness across different devices, achieving a mobile responsiveness score of 95% on Google's Mobile-Friendly Test, enhancing user experience and reaching a wider audience.

Shoe Ecommerce

March 2023 – May 2023

- Built a fully functional shoe e-commerce website using PHP and MySQL, providing users with a seamless shopping experience. Integrated essential features such as product listing, search functionality and shopping cart.
- Focused on mastering database management during the project, dedicating 40% of the development time to database-related tasks and learning activities, resulting in an in-depth understanding of MySQL and its functionalities.
- Developed an intuitive admin dashboard to facilitate easy management of products, resulting in a 30% reduction in the time required to perform product-related tasks, increasing overall efficiency for authorized personnel. Link to live demo: <https://shoe-scape.000webhostapp.com>

TRAININGS/ COURSES

Udemy

Web Development Bootcamp

- Completed Full Stack Web Development Course: Successfully finished a comprehensive Full Stack Web Development course on Udemy, gaining a solid understanding of both front-end and back-end development techniques.
- Proficient in Web Technologies: Acquired practical knowledge and skills in HTML, CSS, JavaScript, along with popular frameworks like React.js and Angular.js for front-end development. Additionally, gained expertise in server-side programming using Node.js and database management using MongoDB.
- Hands-on Project Experience: Engaged in multiple hands-on projects throughout the course, allowing for practical application of learned concepts.

LEADERSHIP EXPERIENCE

Sardar Dastur Hormazdiar High School

- Liaised with the Head Girl and Head Boy to help organize and plan regular meetings with the School Council and ensure that decisions are carried out.
- Supervised the different house captains and vice captains.
